Dear Mr. Amini,

Thank you for your assistance. As mentioned on our call, we would like to have the certification of the authenticity of these documents signed by a diplomatic or consular official in your embassy to meet the requirements of the local court Rules. In addition, if possible, we would appreciate if your office could certify the official position and signatures of the officials of the Islamic Republic of Afghanistan who originally signed the underlying documents. For example, for Exhibit 1 in the attached document, we hope your Embassy can certify Mr. Sayed Anwar Sadat's signature and former position as Acting Minister of the Ministry of Labor and Social Affairs. For the identification cards (Exhibit 12), certification that they are government records is sufficient.

We have attached a form certification with our recommended language, but we understand your office may choose to use whichever language you feel is appropriate. Your office can also call me at any time at the number below (+1 202 637 2348).

As I mentioned, we are sending the attached proposed Exhibits and draft Certification via FedEx overnight and they should arrive tomorrow morning. Thank you again for your assistance.

Best regards,
Damon Porter

Dear Mr. Amini,

I hope you are well. Thank you for your assistance having the documents we sent you authenticated by your consular services team. I am wondering whether you have time this afternoon, after 2:00 pm ET, to speak briefly with my colleagues (Sehla Ashai and Elizabeth Vaughan) for a few minutes.

We had some questions from the judge in our case regarding your Embassy's current functions and the authentication letter, and we're hoping you can help us answer them as we re-submit the documents.

We can be available any time after 2:00 pm today. Please let me know if you have time to speak?

Best regards,
Damon
